

7<sup>TH</sup> EDITION OF

# WORLD CONGRESS ON INFECIOUS DISEASES

*“Global Challenges, Unified Solutions: Advancing  
Infectious Disease Research and Response”*

## Our OCMs

**YONGQING LI**  
University of Michigan Medical  
School, United States

**RANJAN RAMASAMY**  
IDFISH Technology,  
United States

**JUN WAN**  
Indiana University School of  
Medicine, United States

**ALBERT J EID**  
University of Kansas Medical Center,  
United States

**FRANCIS J. CASTELLINO**  
University of Notre Dame,  
United States

**TOM KOCH**  
University of British Columbia,  
Canada

### Scientific TOPICS

- Infectious Diseases
- Coronavirus Disease (COVID-19)
- Research on Medicine and Vaccine for Covid-19
- Bacterial Infectious Diseases
- Parasitology & Infectious Diseases
- Causes and Symptoms of Infectious Diseases
- Vaccines and Vaccination
- Pediatric Infectious Diseases
- Nosocomial Infections & Control
- Viral Infectious Diseases
- Veterinary Diseases
- Fungal Infectious Diseases
- Tropical Infectious Diseases
- STD and HIV Infection
- Infectious Diseases Prevention, Control and Cure
- Neuro Infectious Diseases

 **24-26**  
OCT 2024

*Baltimore, MD, USA*

**Hybrid Event**

# TENTATIVE PROGRAM

---

## Keynote Presentation

---

<b>Yongqing Li</b> University of Michigan Medical School, United States	Title : HDAC6 inhibition and CitH3-mAb: Advancements in sepsis treatment
<b>Jun Wan</b> Indiana University School of Medicine, United States	Title : Studies on microbial infections associated with azoospermia in male mouse model and multifaceted insights into the potential mechanisms of spermatogenic failure
<b>Albert J. Eid</b> University of Kansas Medical Center, United States	Title : Reducing the dose of mycophenolate in solid organ transplant recipients diagnosed with SARS-CoV-2 infection increases the risk of severe COVID-19
<b>Francis J. Castellino</b> University of Notre Dame, United States	Title : The mechanisms of innate immune responses in streptococcus pyogenes pathogenicity
<b>Tom Koch</b> University of British Columbia, Canada	Title : The Covid-19 experience: What was new and, mostly what was not. a review
<b>Vijay Prabha</b> Panjab University, India	Title : Reducing the dose of mycophenolate in solid organ transplant recipients diagnosed with SARS-CoV-2 infection increases the risk of severe COVID-19

---

## Oral Presentations

---

<b>Mehwish Zeb</b> Garden city Hospital, United States	Title : Hyperlactatemia in septic shock, unmasking the false notion; An intriguing case report
<b>Surya Prakash Tadepalli</b> Jai Surya Multiple Knowledge Development Organization, India	Title : Combatting corona: Unveiling the microscopic threat and crafting a scientific solution
<b>Yacob Mathai</b> Marma Health Centre, India	Title : Paracetamol is the most unscientific and dangerous drug for fever: Anyone can create a fever within hours using antipyretic objects
<b>Hua Luo</b> Peking University, China	Title : Experience and advice from single medical center: What we have learned from COVID-19 to unexplained serious pneumonia?
<b>Weijia Li</b> Peking University, China	Title : Metagenomic next-generation sequencing for diagnosing severe leptospirosis in a patient suspected COVID-19: A case report
<b>Alok Kalfe</b> Khon Kaen University, Thailand	Title : A multi-epitope vaccine designed through comparative proteomics and computational modeling against the carcinogenic liver fluke opisthorchis viverrini

---

# TENTATIVE PROGRAM

---

<b>Arshad Islam</b> Governemnt Lady Reading Hospital Medcial Teaching Institution, Pakistan	Title : Sensitivity of antimony(III)-sensitive and -resistant MRPA-overexpressing and AQP1-mutated Leishmania strains towards novel organoantimony(V) and organobismuth(V) complexes and their effect on DNA and membrane integrity
<b>Leresche Even Doneilly Oyaba Vinda</b> Interdisciplinary Medical Research Center of Franceville, Gabon	Title : Phylogenetic groups, pathotypes and antimicrobial resistance of escherichia coli isolated from western lowland gorilla faeces (gorilla gorilla gorilla) of Moukalaba-Doudou National Park (MDNP)
<b>Noureldaim Elnoman Elbadawi Mohamed</b> Shaqra University-College of Medicine, Saudi Arabia	Title : Effect of quinine therapy on plasma glucose and plasma insulin levels in pregnant women infected with plasmodium falciparum malaria in Gezira state
<b>Kabbale Fredrick George</b> Makerere University, Uganda	Title : The impact of insecticide-treated bed nets on the biting times of plasmodium falciparum-infective mosquitoes and transmission intensities in Kamuli District, Uganda: Implications for Malaria control
<b>Taha Abd-ElSalam Ashraf</b> Fayoum University, Egypt	Title : Antibiotic use & AMR awareness among the general public in seven middle eastern nations: A cross-sectional study

***Oral presentation slots are available !!***

## Poster Presentations

---

<b>Mehwish Zeb</b> Garden city Hospital, United States	Title : Right thalamic abscess in a caucasian man with rheumatoid arthritis, an intriguing case report
<b>Kasha Chen</b> California University of Science and Medicine/Arrowhead Regional Medical Center, United States	Title : Case of neurocysticercosis in patient presenting with first episode psychosis
<b>Christof Peter Ziaja</b> KE Neuroradiology and Institut of Stress and Fatigue Prof Stark, Germany	Title : Structural deformations in the superior tubular of the hypothalamus and their impact of autoimmune antibody production: A study of long Covid patients
<b>Marji U. Umil</b> University of the East Ramon Magsaysay Memorial Medical Center Inc, Philippines	Title : A case report of fusariosis in a filipino patient with a solid tumor
<b>Rogermar D Villanueva</b> Cagayan Valley Medical Center, Philippines	Title : Guillain- barre syndrome following sinovac (Coronavac) Covid-19 vaccination: A case report in Cagayan Valley
<b>Arifa Akram</b> National Institute of Laboratory Medicine & Referral Centre, Bangladesh	Title : Co-infection of hepatitis A and hepatitis E viruses in outpatients in Dhaka, Bangladesh: A case series

# TENTATIVE PROGRAM

---

<b>Sangita Thapa</b> Medical University of America, Nepal	Title : Transaminitis among patients with dengue fever visiting a tertiary care centre
<b>Xinxin Wang</b> Peking University, China	Title : Pulmonary vascular endothelial injury and acute pulmonary hypertension caused by COVID-19: The fundamental cause of refractory hypoxemia?
<b>Hiba Akber</b> The Indus hospital and Health Network, Pakistan	Title : Frequency and associated factors of extra Pulmonary tuberculosis at a tertiary care hospital, Karachi, Pakistan
<b>Ali Khanifar</b> Hamadan University of Medical Science and Health Services, Iran (Islamic Republic of)	Title 1: Investigation of COVID-19 virus mutagenicity and the effect of the NSP13, NSP14 and NSP16 on the -1 ribosomal frameshifting Title 2: Investigating the effect of ezetimibe in the treatment of Ebola disease

---

***Poster presentation slots are available !!***
